

Helpful hints for contacting the Greek authorities regarding aviation EU-ETS

When contacting Greek authorities regarding your EU-ETS aviation emissions-monitoring form: Rather than contacting the environmental group listed on the form, contact the emissions department directly. For immediate responses to any questions, such as submission of documentation, etc., email your information to propemissions@hcaa.gr, or call 011-30-210-997-2914 and ask for Mr. Theoharis.

For more information on aviation EU-ETS, visit EU-ETS.aero. You can also call Adam Hartley at (713) 378-2734, or email him at ahartley@univ-wea.com.
